Proposals will be received for the delivery of said goods at Boston, New York, Philadelphia, Baltimore, New Orleans, St. Louis, Memphis, or Cheinnati, but in considering the bids, the cost of the transportation of the same to their respective destinations from the places prepaid to be delivered will form an element in deciding upon the processes.

tion of the same to their respective destinations from the places proposed to be delivered will form an element in deciding upon the proposals.

The right will be reserved to require a greater or less quantity of any of the articles named than that specified in the above schedule; and also any others of a different description that may be needed, at the lowest market prices.

Goots of American manufacture, of the required styles and quality, will be preferred; but as the samples of blankets and cloths are foreign fabrics, it will be necessary, in proposing a domestic article of either of those kinds, that a sample thereof shall accompany the bid.

The articles to be furnished must, in all respects, conform to and be equal with the samples recently selected, which may be seen at this office. They will be rightly inspected and compared with those sampled by an agent or agents appointed for that purpose. Such as may be unequal thereto in any particular will be rejected; in which case the contractor will be bound to furnish others of the required kind or quality within three days; or, if that be not done, they will be purchased at his expense. Payment will be made for the goods received on invoices thereof, certified by the agent or agents appointed to inspect them.

It will be understood that all bids for turnishing the goods above specified may be rejected at the option of the department, particularly if made by one who is not known as a manufacturer of, or regular dealor in, the article proposed to be furnished; which fact, or the reverse, must be distinctly stated in the bids offered; and that the bids of all persons who may have failed to compily with the conditions of any contracts they may have previously entered into with the United States shall, at the option of the department, be rejected, in accordance with the letter and spirit of a join resolution of Congress relative to bids for provisions, clothing, &c., for the use of the navy, approved or the contract, with two or more surreties, whose sufficiency

formance of the contract, with two or more sureties, whose sufficiency must be certified by a United States judge or district altoracy.

The proposals unset embrace the articles, with the quantities thereof, as they are arranged in the foregoing achodule, with the prices and exist, as which they will be farnished, and the amounts must be carried out and tooled up for each class. They should be aubstituted with the following heading and the amounts must be carried out and tooled up for each class. They should be aubstituted with the following heading the propose of the survival of the service of the Indian department, and according to the demands of the classes proposed states. They should be aubstituted with the following heading to the wase or classes proposed of performances of the same, it is a survival to the prices, such additional quantities of the same kinds and qualities of the same with the prices, such additional quantities of the same kinds and qualities of the same prices, such different description as may be required for the service of the Indian department during the year 1888, different less retained to the formal proposed to the formal proposed

"I for we hereby guaranty that the above bidder, for tidders, a contract shall be awarded to bim, for them,] according to his for if a contract shall be awarded to film, for them,] according to his [or their] foregoing bid or proposal, will execute a courted, and give security for the performance thereof, as presertised in the advertisement for Proposals for Indian goods, dated October 15, 1857; and 1 [or we] agree to pay any and all damages or losses which the United States or the Indian may suffer by reason of failure as to do on the part of the salt bidder, [or bidders."]

No proposal will be considered that does not strictly conform to the terms and directions of this advertisement.

By order of the Secretary of the Interior: CHARLES E. MIX,

OFFICE OF THE WASHINGTON AGGEDUCY, Washington, March 5, 1857. PROPOSALS are invited for materials and work for the Washington aquedict.
Proposals received up to 7th May will be opened at noon of that

Proposals received up to 7th May will be opened at noon of that day.

Maps, prefiles, and specifications of the materials and work to be let will be ready for examination at this cities on and after the 20th April next.

The work to be let will embrace masoury of some of the bridges, graduation, excavation, and embashment of reservoirs, iron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and cut stone, &c.

For the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the preent appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; but not boiling out sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cent. will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made to succie checks upon the United States.

some.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the sugineer, reserving 10 per cent, and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and its specie.

All bids should be sealed, and endorsed "Proposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conducive to the progress of the work.

ments as may be considered most conductive to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they under-take that the bidder or bidders will, if his or their bid be accepted, enter into an obligation, within ton duys, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States district judge, United States district attorney, navy agent, or some officer of the general government or individual known to the Engineer or De-partment of War, that the guarantors are able to make good their guarantee. partment of War, that the guarantors are guarantee.

Hds will be opened in presence of bidders, if any of them choose to M. C. MERGS, capt. of Engineers, in charge.

FORM OF GUARANTEE.

BANKING HOUSE OF CHUBB BROTHERS, Washington, January 1, 1857. OHN D. BARROW and HENRY HOLMES are this day admitted as partners in the Banking House Chubb Brothers. The firm from this date will be composed of Chas St. J. Chubb, John D. Barrow, and Henry Holmes. The House in D venport, Iowa, is composed of Charles St. J. Chubb, Wm. H. Donga and Alexander H. Barrow, under the firm of Chub Brothers, Farow, & Co.

CHUBB BROTHERS,

Virginia Land Office, Richmond October 10, 1857.

Richmond October 19, 1887,

In Conformity with the code of Virginia of 1849,
page 491, section 16, I do hereby make known, to all whom it may
concern, that it appears by a certificate of the escheafor of the county
of Halifax, dated the 18th day of October, 1857, and this day received
into the land office, that by inquest held on the 29th day of September,
1857, it was found that a tract of land containing thirty four acres in
the county of Halifax, on the waters of Birch creek, was charged on the
land book of said county to John Hightower; that the said John
Hightower left the county many years ago and has not been heard
from; that he left no beirs, and that the said tract of thirty-four acres
is escheated to the Commonwealth.

This is the only route by which through tickets and baggage checks
to obtained in Washington.

can be obtained in Washington.

The accommodation train, at 6.45, will stop at all stations east of Camberland, and the express at stations beyond Piedmont going west, Eastwardly, the mail train leaves Wheeling at 7.15, a. m., and accommodation leaves Camberland at 8.20, reaching Baltimore at 6.45, p. m. The FREDERICK TRAIN starts at 4, p. m., (axcept Sunday,) stopping it way stations. Leaves Frederick at 9, a. m., arriving at Baltimore 14.12.30, noon.

COMPLETION of Panama Railroad.—Reduction COMPLETION of Panama Railroad.—Reduction of fare to California.—United States mall steamships leave New York for Aspinwall on the 5th and 20th of each month, connecting with mall steamers from Panama to San Francisco.

These steamships have been inspected and approved by the Navy Department, and guaranty speel and safety.

The Panama railroad (47 miles long) is now completed from ocean to ocean, and is crossed in 3 or 4 hours. The baggage of passengers is checked in New York through to San Francisco, and passengers are combarked at Panama by steamer at the company's expense. The money paid in New York covers all expenses of the trip.

Reserve stamers are kept in port in New York, Panama, and San Francisco, to prevent detention in case of accident, so that the route is entirely reliable.

Passengers leave Panama the same day they arrive at Aspinwall. Conductors go through by each steamer, and take charge of women and children without other protectors.

For Kansas and Missouri River.

THE PACIFIC RAILROAD is now running two THIS PACIFIC KALLHOAD is now running two daily trains between St. Louis and Jefferson city, connecting with the "Lightning Line" of Missouri-river packets, that leaves Jefferson city daily on the arrival of the express train, carrying the mails and passengers for Booneville, Glasgow, Lexington, Kansas, Leavenworth, Weston, St. Joseph, and all intermediate points.

Through from St. Louis to Kansas in 48 hours, and from 24 to 38 Through from St. Louis to Kansas in 48 hours, and from 24 to 36 hours ahead of beats starting from St. Louis.

The Lightning-Line packets are equal to any beats in the trade, and, being required to run on schedule time with the mails, passengers are never delayed waiting for freight at towns on their way. Through tickets can be purchased in the principal cities of the United States, or at the offices in St. Louis.

T. McKiSSICK, May 22—dtf

Ass't Sup't.

THE judge advocate gives notice, for the information of parties coming before the court under the 1st section of the act of January 10, 1857, that they will respectively be advised by the department when their cases shall have been referred to the court; and that it is desirable that in presenting themselves they should come prepared with a list of such witnesses as they may de sire to have summoned, specifying to which of the respective heads of "fitness for the naval service" mentioned in the act their testimony is to be applied respectively; and suggesting the delay, if any, which may be required; and is respect of what witnesses.

J. M. CARLISLE, Judge Advocate.

Feb 281-11

New Agricultural and Machine Warehouse, 558 Seventh street, south of Pennsylvania avenue, opposite Centre

AGRICULTURAL IMPLEMENTS, MACHINERY, FIELD AND GARDEN SEEDS, FERTILIZERS, &c. THE undersigned is now prepared to furnish the above mentioned and all articles pertaining to the agricultural suriness at the lowest market rates; having just returned from a tour through the northern and New England Statee, where he has visited a large number of the principal agricultural manufacturing establishments, from which he has taken great pains in selecting a choice assertment of implements and machinery of all descriptions. He has also made arrangements to be at all times in receipt of any important improvements that may take place in the agricultural line. Another very important feature in this new establishment is, that the proprietor is a practical agricultural machinist, with an experience of twelve years. He has thereby acquired a thorough knowledge of this business in all its various branches. He therefore feels justified in saying that he can obtain and furnish all articles in his line on as reasonable terms as

can obtain and furnish all articles in his line on as rescuence, any house in this country.

Machinery of all descriptions repaired at the shortest notice and on the most reasonable terms.

With the above experience and facilities for conducting this business, (which is all important,) be respectfully solicits the patronage of the farming community and public generally. It shall always be his object to pieace.

Yours, very respectfully.

J. P. BARTHOLOW,

558 7th st., six doors south of Penn. av.,

The Fauquier White Sulphur Springs,

OFFERED FOR SALE TO THE PUBLIC IN LOTS.

The Fauquier White Sulphur Springs,

DIFFERED FOR SALE TO THE PUBLIC IN LOTS.

THIS property has been held under an act of incorporation since 1828. The chartered property then consisted of 1.1831, acres of land, in Fauquier county, including the improvements thereon, and was divided into 2,500 shares, estimated in the carter at \$100 cach. The subscriber having subsequently reacquired the property, sold a part thereof, and there now remain fully eleven hundred actors, together with the buildings enlarged and greatly information to the land of the larger portion of the land into about 10,000 building lots, with convenient streets, of 66 feet wirth, running nerth activities, but had do the larger portion of the land into about 10,000 building lots, with convenient streets, of 66 feet wirth, running nerth activities, and and west, with a view to the formation of a village of all the contiguous buildings and improvements. These sixty sky and the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. These sixty sky at the contiguous buildings and improvements. The substitute of the partitioned by its these grains at the case of the contiguous sky at th

Noir.—1. All the streets are 60 feet wide, and run north and south, east and west.

2. Each square, in the plan, fronts 250 feet on streets running east and west, and 220 feet on streets running north and south, and (with its portion of the streets and alley) contains about two acres.

3. No payment of even the \$10 is required till it is ascertained, by the number of subscribers, that a city is to be built; in which event the value most greatly exceed the cost.

4. In the partition the 10,000 lots will be represented by tokens, with the number of square and of lot on each. These tokens will be put in the same vessel with 2,500 smilar ones, marked "1 share of stock." In another vessel subscribers' names will be put, (each name repeated according to the number of shares he may have taken) and in the drawing, as in the division of large estates among numerous heirs, each will thus have an equal chance with any other of getting a share of Spring stock, or the more highly valued lot.

The 2,500 who get the 63 acres, including the Sulphur Spring, the buildings, (assessed at \$80,000), and the furniture.

Those who get suitable building lots for large bothle may be still more successful, while those least fortunate will get building lots of 2 by 100 feet, that must be worth, as the population lorceases, much more than the cost.

5. Subscription lists and lithographic plans of the proposed city are left at most of the bookstores and other public places in this city. The agents having them can become the representatives of the respective subscribers, and in surrendering the lists can get assurance of the decds. The payments and the drawing are desired to be at the same ineff at most of the bookstores and other public places in this city. The agents having them can become the representatives of the respective subscribers, and in surrendering the lists can get assurance of the decds. The payments and the drawing are desired to be at the same inferior may be deposited in any solvent bank, to be paid to Robert Hudgin on the

Office of Transportation Baltimore and Washington Railroad.

BY direction of the President and Directors of the road, the undersigned gives notice that hereafter only such money as is bankable in this city will be received in payment of freight bills: do to the company.
